

Date: January 20, 2025

Agreement Between  
Chateau Orquevaux and Anne Easton

**IN COMING TO THE RESIDENCY YOU AGREE TO OUR COVID  
POLICY:**

Due to insurance reasons, we no longer require a PCR test.

We recommend you purchase travel insurance in the case that you  
test positive prior to your residency.

By signing this agreement, you agree to take a covid test if you  
begin to feel sick or if we notice COVID symptoms during your stay.  
In the case that you test positive, you agree to isolate yourself in  
your room and we will bring food to you. You will be allowed to  
access your studio if you wear a mask while working and anytime  
you exit your room.

We will disinfect bathrooms daily if there is a Covid outbreak. If you  
contract Covid, you agree to disinfect your living and studio space  
daily. You will be provided with disinfectant.

We thank you in advance as it helps keep us all stay safe & healthy.
